

Terms and Conditions – GreenMiles

Program

By enrolling in the GreenMiles Carbon Credit Reward Program (the "Program"), you ("Participant," "you," or "your") acknowledge that you have read, understood, and agree to be bound by these Terms and Conditions (the "Terms"). "Company," "we," "our," or "us" refers to Pion Power:

1. Program Overview

- a) The Program rewards eligible EV charger users with cash payments of \$100 per 1 MWh of charging usage, based on verified charging data.
- b) The reward value of \$100/MWh is subject to annual review. The Company will notify users once a year of the updated reward value, which may increase or decrease depending on carbon credit market conditions.
- c) You may choose to continue or withdraw from the Program at any time.
- d) Rewards are credited only after carbon credits are successfully verified and approved by the applicable regulatory authority.

2. Eligibility and Participation

- a) You must own or operate a qualified Pion smart charger connected to our network.
- b) Rewards will only be generated when the charger is connected via Wi-Fi and actively transmitting usage data.
- c) Accumulated rewards end when the registered charger is no longer in use. However, you may register a new Pion charger to continue earning rewards.
- d) If a charger is replaced, all rewards earned to date will remain in your account.
- e) Rewards are non-transferable and may only be redeemed by the registered account holder.

3. Data Collection and Use

- a. To apply for and verify carbon credits, the Company will collect and use the following information:
 - i. Charger Serial Number (SN) – to identify the device.
 - ii. IP Address – to determine the province of usage.
- b. No other personal information (such as name, address, or phone number) will be used or disclosed.
- c. The collected data will be used solely for Program administration, carbon credit applications, reporting, and reward distribution.
- d. Data will be stored on secure, encrypted servers and retained only for as long as necessary to meet Program, legal, and regulatory obligations.

4. Privacy Protection

- a) The Company respects your privacy and handles data in compliance with applicable privacy and data-protection laws, including PIPEDA.
- b) The Company will only share the data with third parties as is required to administer the Program and claim carbon credits.

- c) Data will be stored and handled in compliance with applicable privacy and data-protection laws.
- d) The Company's Privacy Policy can be found on the website at www.pionpowertech.com

5. Acknowledgement & Consent

- a) By signing up, you confirm that you understand and consent to the use of your charger's SN and IP address for the Program.
- b) Acknowledge that withdrawal from the Program does not retroactively delete data already collected, to the extent such data must be retained for regulatory compliance.

6. Limitation of Liability

- a) Rewards are subject to verification of charging data and approval of carbon credits.
- b) The Company is not liable for indirect or incidental losses arising from your participation.
- c) The Company reserves the right to modify, suspend, or terminate the Program at any time with notice.
